Leave a detailed message including your phone number, Dr Qureshi will be paged and will return your call as soon as possible.

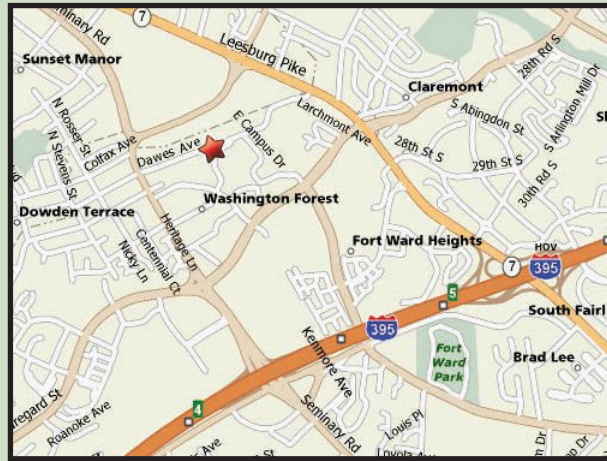

FINANCIAL POLICY

We have strived and will continue to make every effort to keep down the cost of your dental care.

Please understand that you, the insurance policy holder, are responsible for all treatment fees on your account regardless of your insurance coverage. If you do not have dental insurance, payment is due at the time services are rendered, unless financial arrangements are have been made prior to your dental treatment.

We will do our best to adjust to our patients needs in planning for the investment in superior dental health. There are several methods of payment available and we will work with you to arrange a treatment plan that fits your schedule and budget. We will discuss every procedure and costs associated with the procedure before treatment begins.
